

**HEARTWARMING MILESTONE:**  
It's been 10 years! We've hand inspected and hand packed over 30 million diapers for your tiniest babies.

## Celebrating your dedication to premature babies

You bring hope, comfort and a brighter future to families during some of their most challenging moments. At Huggies® Healthcare™, we believe in the power of gratitude. So, *thank you*. Thank you for your extraordinary care this World Prematurity Day! Your unwavering commitment to providing the best care to premature infants is nothing short of heroic. That's why we're proud to partner with you to help you meet the needs of this vulnerable population.

## Empowering parents with family resources

From conception to the fourth trimester and beyond, Huggies provides comprehensive support for parents. Our resources include expert articles, videos and helpful tools on prenatal care, childbirth and postpartum recovery.

We encourage you to provide these resources to your patients, ensuring moms have access to reliable information and emotional support every step of the way. Together, we can empower parents to embrace the beautiful journey of parenthood with confidence.
