

## Let's celebrate the wonder together!

As Disney celebrates 100 years, we're reflecting on the 25 years Disney and Huggies® have been working to help the families you work with navigate the unknowns of babyhood.

In celebration of Disney and the wonder of all babies, we're featuring limited-edition packaging and designs you can see in your hospitals and on shelves this summer. Click on the link below for a sneak peek!

## Our perfect diaper for gentle skin protection

When it comes to supporting skin health, our healthcare products deliver. Did you know we designed the soft back-pocketed waistband of Little Snugglers® Diapers to avoid blowouts? It joins forces with the comfy GentleAbsorb® Liner to absorb wetness on contact, keeping it away from and protecting the delicate newborn skin that you care for.
